Just 14 weeks to go before the upcoming meeting in Salzburg !

Over the course of the next few weeks we'll be recommending several special workshops to you in case you have not yet made your decision. We'll keep you informed about important conference details and of course the cultural program.

BEYOND BIOFEEDBACK

Our guest celebrities for the upcoming meeting will be real pioneers of biofeedback.

Patricia Norris, is a daughter and professional colleague of the Biofeedback pioneers Elmer and Alyce Green and has extensive experience in psychophysiological research from its inception and so has her husband Steve Fahrion. Patricia offers a remarkable insight into integration of BF with imagery and Psychosynthesis for treatment of many disorders such as cancer. Steve is a clinical researcher who did extensive work on addiction. Patricia and Steve are offering a one day workshop at the upcoming BFE meeting in Salzburg on Feb., 22 on **“Mind Body Approaches for Addiction and Substance abuse”** and a one day workshop on Feb., 23 on **“Psychoneuroimmunology: Techniques and Applications in Cancer and Immune disorders”**.
